Subject: Phillips 66 Oil Train Project

Re: Phillips 66 Oil Train Project

I object to and urge you to vote against the Philips 66 oil train project. I do not want to jeopardize our community's safety against accidents such as just happened in the Columbia River Gorge in Mosier, Oregon - or to encourage use of petroleum for our future energy needs.

Please listen to my plea - do the right thing and reject the Phillips 66 oil trains project!

Sabra Scott
